No problem. I will work off of what you send back. If I need to do a declaration, I will put one together. I did not think it was necessary. It would basically say the parties met and conferred, and Plaintiff has decided to dismiss the UMG Defendants with prejudice.

I do. As we discussed last week, what I expected was a notice of motion and a short declaration from you. I expressly said we were not stipulating to a dismissal but, assuming your motion was satisfactory, we would file in response our agreement with the dismissal and its terms. I am going to modify what you sent me as it is not acceptable.

Mr. Blackburn,

I will look at and get back to you. I had expected, as you had said last week, that I would receive this on Saturday morning.

Donald,

See attached the proposed notice of motion. It is simple and straightforward and does not require any filing by you. Let me know your thoughts.
